

Michael Schmitt

"It would be difficult to find a more trustworthy, hardworking, and intelligent person to join your team."

-Mike Boulet

Senior Software Engineer
Youth Digital

"Michael is one of most capable people I've ever worked with. He picks up new skills incredibly quickly, regardless of how far they are outside of his current comfort zone."

-Aaron Sharp

Head of Product Development
Youth Digital

"Michael harnesses an endless supply of enthusiasm and passion for creating the best possible experience for those with whom he interacts."

-Damon Neanover

Technology Education Support Lead
Youth Digital

"He was dependable and consistently demonstrated a strong work ethic... he exhibited the ability to adapt quickly to situations and was extremely knowledgeable."

-Nicole Hill

Volunteer Coordinator
Poe Health Center

"I think there was trouble with the unfamiliar environment, but Michael had always spent time with smile for children. Children were looking forward to play or talk with him."

-Koketsu Tomoko

Head English Teacher
Naegi Middle School, Japan

"Thanks Michael. Mod Design: Dimensions is my favorite course! I really love my Giron Mod. Thanks again Michael!"

-Henry

Online Student
Youth Digital

"I've used Airbnb many times over the last few months, and I can honestly say Michael has been my favorite host thus far... I would strongly recommend staying here and if I make it back up this way; I'm certainly staying with Michael again."

-Benjamin

Airbnb Guest

"He was exceptionally personable and made a great impression on everyone who came into our office. I was impressed by his resourcefulness and drive to resolve every issue he encountered."

-Briana Laures

Assistant Manager
Sagebrook of Chapel Hill
